2020 Business Sponsorship Opportunities

The Many Reasons to Support the Rhinebeck Farmers' Market

Our market is consistently voted the "Best Farmers' Market in the Hudson Valley". For over twenty-five years our vendors have provided a diverse and unique selection of farm fresh products that showcase the very best of the Hudson Valley.

The Rhinebeck Farmers' Market is unique in that it is not supported by a civic or governmental organization and enjoys no special eligibility status. The market relies solely upon vendor fees, business sponsors, donations, volunteers and merchandise sales for its operating funds. Administration is by a volunteer board of directors along with two paid personnel.

One hundred percent of funds raised go to the operation of the market, educational events, chef demonstrations, children's activities, musical performances and to a scholarship for agricultural study. In 2017, the Market launched RFM Plus. For every dollar spent at the market in SNAP benefits the participant receives another dollar of **RFM Plus** to double their purchasing power. SNAP, the Supplemental Nutrition Assistance Program, is the program formerly known as food stamps. It is a federal nutrition program that helps you stretch food budgets and buy healthy food

Donations of any amount will help to ensure a strong and successful farmers' market. We hope you will join your friends and neighbors by becoming a **Farmers' Market Friend!**
